

**ourfresh 2.0** delivers **2X MORE** fragrance than metered air systems

- **Dry Fragrance:** no sticky residue
- **Upscale:** high-end fragrances & design
- **Smart Chip:** EZ maintenance
- **Better Experience:** mal-odor removal
- **Greener:** no acetone; 100% recyclable

Metered air provides "just right" fragrance *only 20%* of the time

ourfresh 2.0

- Light activated
- Covers 100-250 sq. ft.
- Consistent 30-day fragrance
- Every refill includes a new battery
- Easy open/close side hinge

**Hazard Statement(s):**

- H332 - Harmful if inhaled
- H319 - Causes serious eye irritation
- H336 - May cause drowsiness or dizziness
- H222 - Extremely flammable aerosol
- H280 - Contains gas under pressure; may explode if heated
