

Offer Only the Best

The PURELL® Brand Is Here to Help Ensure Your Inventory Is Compliant and Safe

The FDA is actively working to remove unsafe, ineffective sanitizer from the market and will treat products outside of policy as non-compliant drugs – including hand sanitizer that was previously approved under emergency response guidance. Additionally, refilling of bulk hand sanitizer dispensers has a high potential to introduce human error and can impact efficacy, posing significant risks.

INFORMATION AND RESOURCES FROM A TRUSTED BRAND

EVALUATE & DISPOSE

Evaluate hand sanitizers for possible disposal that have the following warning signs:

- Short ingredient list
- No ingredient list
- Past expiration date
- Does not have a lot code
- Bad odor and/or irritates skin
- Mislabeled or not in original labeled container

REPLENISH WITH CONFIDENCE

GOJO is ready to fulfill demand for safe products through our significant investments and the **CARE Program**:

- Increased manufacturing and shipping
- No-charge dispensing systems are specific to the CARE program*
- Special pricing on PURELL® products
- Per-dispenser installation allowances
- Personalized service and support

THE PURELL PROMISE™ OF QUALITY AND SAFETY

PURELL® Hand Sanitizer is safe and effective, made with high-quality ingredients and rigorously tested. That's our promise to you.
