

Hygiene & Safety Mats

Size: 3' x 5'
Design Number: 3017349

The Centers for Disease Control (CDC) recommends the promotion of frequent and thorough hand washing for workers, customers, and visitors. It has also been recommended to practice social distancing and keep a minimum of six feet distance between individuals whenever possible. Since people tend to look down when they walk, mats can serve as a great way to promote important messages or encourage guidelines.

M+A Matting has developed several mats to help send the right message.

Message Mats

These mats were designed to promote frequent hand washing/sanitizing, social distancing, and safety.

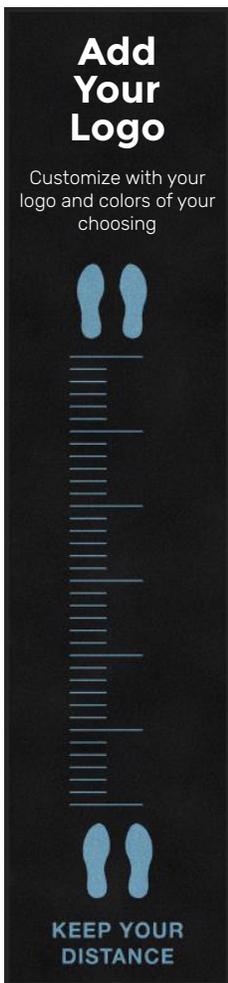

Size: 3' x 5'
Design Number: 3017378

- **Photographic-Quality Printing** - Designs are digitally printed at 76 dpi (dots per inch), making these mats vibrant and easy-to-read
- **Eco-Friendly** - PET (polyethylene terephthalate) carpet surface contains 50% post-consumer recycled content reclaimed from plastic bottles
- **Fade & Stain Resistant** - PET yarn has excellent color-fastness and is resistant to fading from repeated washing/cleaning; PET yarn is naturally resistant to staining
- **Safe** - Certified high-traction by the National Floor Safety Institute (NFSI)

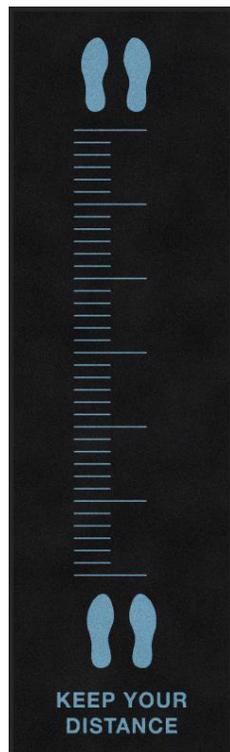

Social Distancing Runner Mats

Sure Stride® Impressions Mats

These adhesive-backed mats are designed to relay important messages or reminders to customers, visitors, and employees. Choose from an array of stock messages or design your own using your logo/artwork and messaging. Available in sizes 17" x 17" and 17" x 23.5".

- **Provides Clear Messages** - Mats can be placed at pivotal locations to provide important messages or reminders
- **Stays in Place** - Adhesive backing keeps the mat flat and in place, even with heavy cart/buggy traffic
- **Hassle Free** - Mats can be left in place during daily floor cleaning; floor scrubbers, mops, and brooms will pass right over them without causing damage
- **Won't Leave Residue** - Sure Stride mats are less likely to leave a sticky residue than floor decals
- **Odor Resistant** - Anti-microbially treated for protection from odors
- **Slip Resistant** - Low-profile high-traction surface provides additional traction and slip resistance
- Will perform for up to 3 to 4 months under normal use
- Sold in case/box; 6 mats per case

Stock designs:

Stick-and-Stand™ Mats

These adhesive-backed mats were designed to clearly mark floors and provide customers with a safe place to stand while waiting in lines.

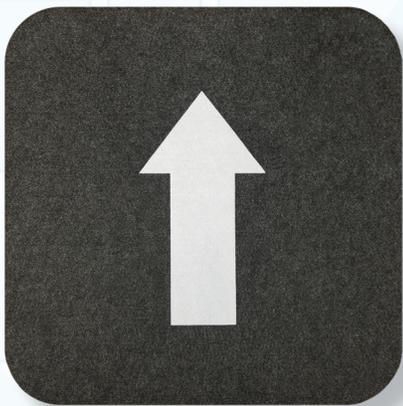

- **Provides Clear Direction** - Universal “stop sign” shape with shoe prints marks where customers should stand; mats can be placed at safe intervals in virtually any configuration
- **Stays in Place** – Adhesive backing keeps the mat flat and in place, even with heavy cart/buggy traffic
- **Hassle Free** - Mats can be left in place during daily floor cleaning; floor scrubbers, mops, and brooms will pass right over them without causing damage
- **Won't Leave Residue** - Stick-and-Stand mats are less likely to leave a sticky residue than floor decals
- **Odor Resistant** - Anti-microbially treated for protection from odors
- **Slip Resistant** - Low-profile high-traction surface provides additional traction and slip resistance
- Will perform for up to 3 to 4 months under normal use

Sure Stride® Directional Mats

Sure Stride Directional mats are adhesive-backed mats printed with an arrow to provide directional cues to customers, visitors, and employees.

- **Provides Clear Direction** - Mats can be rotated to provide directional cues in any direction
- **Stays in Place** – Adhesive backing keeps the mat flat and in place, even with heavy cart/buggy traffic
- **Hassle Free** - Mats can be left in place during daily floor cleaning; floor scrubbers, mops, and brooms will pass right over them without causing damage
- **Won't Leave Residue** - Sure Stride mats are less likely to leave a sticky residue than floor decals
- **Odor Resistant** - Anti-microbially treated for protection from odors
- **Slip Resistant** - Low-profile high-traction surface provides additional traction and slip resistance
- Will perform for up to 3 to 4 months under normal use

StepWell™ Sanitizing Mats

These mats feature a 2' x 3' well that holds an abrasive insert and your preferred liquid sanitizer, followed by a 3' x 5' carpeted section to help remove any excess moisture from shoes, reducing the likelihood of slips following sanitation. Wash, wipe, and walk on safely!

Nylon Carpet

Nylon carpet dries shoes to reduce risk of slip-and-fall accidents and protect floors from moisture

Well with Insert

2'x3' well holds liquid sanitizer and abrasive insert to clean and disinfect shoes

- Available in three designs
- The insert serves as a splash guard and helps dislodge any dirt or debris from the bottom of shoes so the fluid can reach the entire sole surface
- Each mat includes one insert; additional inserts are available in packs of four
- Well holds one insert and approximately 84 ounces (2.5 L) of sanitizing solution (not included)
- Compatible with most sanitizing/disinfecting solutions. Works best with quaternary and hydrogen peroxide sanitizing solutions.

The StepWell mat works best with quaternary and hydrogen peroxide sanitizing solutions; can be used with chlorine bleach solutions, but failure to adhere to recommended concentrate can damage the mat.

- Quaternary ammonium should be used per recommended dilution instructions on the label (for sanitizing level protection).
- 3% hydrogen peroxide solutions can be used without further dilution.
- 6% chlorine bleach should be used at a concentration of 0.4% (0.5 oz. per gallon). Caution: Do not use mat as a work surface to prepare bleach solution, as undiluted bleach may cause permanent color loss.
